SHARON ALDRIDGE AND CAROL FUNK (right) of Pirate's Cove Vacation Rentals and Property Management, co-chaired the 10th Annual Santa's Lil' Pirate's Fundraiser for the Foster Children of Dare County. Susan Nelson (center) of Dare County Social Services is always instrumental in obtaining the children's wish lists and ensuring the delivery of packages to the respective foster families. A check for \$1,400 was presented to Nelson for the foster children program. "2011 has been a lean year for everyone and especially with Hurricane Irene. It always brings us great joy to help the foster families that care for these special children," said Aldridge. "Helping others in need is what Christmas is really all about."
